Dear Woodlands Arts Patrons,

We are seeking to establish Vitacca Ballet as the resident professional ballet company in The Woodlands. Interested arts patrons are invited to join the movement by contacting Vitacca Ballet today to pledge support.

Vitacca Ballet, founded in 2020 by Kelly Ann Vitacca, is a creation-based repertoire company in the Houston area. As the pandemic brought artists home to Houston, Vitacca strived to keep artists employed and the Houston arts scene alive with project-based work. This experience laid the framework for the launch of Vitacca Ballet in 2021, which now works diligently to operate a 32-week season and employ local, national, and international artists.

Many Woodlands arts patrons may already be familiar with the Vitacca name since The Woodlands campus of Vitacca Vocational School for Dance is celebrating its five-year anniversary. Vitacca is well-known in the community as the premier ballet school and the only school in The Woodlands area to win the prestigious Youth America Grand Prix Outstanding School award multiple years in a row. The growth and talent produced by Vitacca's schools have led numerous dancers to professional careers.

To establish Vitacca Ballet as the resident professional ballet company in The Woodlands a physical support structure needs to be built which includes a dance center featuring a professional theater, black box performance space and company rehearsal facilities.

Join the movement in The Woodlands! Bring professional ballet to The Woodlands by lending us your support.

Sincerely,

Kelly Ann Vitacca, Founder + Artistic Director
